

BANKING & FINANCE

As regional financial markets converge, clients are looking for better ways to navigate the uncertain and rapidly-evolving regulatory environment. By combining regulatory expertise of our lawyers and world class transaction banking knowledge of our multidisciplinary experts, Banking & Finance team produces seamless innovative solutions to borrowers and issuers involved in sophisticated transactions, insurance companies, private equity funds, hedge funds, investment firms and other financial institutions.

Members of our team acted for some of the largest multinational clients in landmark multi-jurisdictional transactions. Our highly experienced team brings unique synergies to advising and representing client interests in virtually all regulatory matters relating to capital markets, financial regulation, compliance, enforcement and general banking.

Our lawyers specialize in providing advice and support to clients on:

- General banking
- Structured finance
- Distressed investing and disposition
- Debt restructuring
- Compliance with general financial regulation
- Structured finance
- Forex trading and cross-border transactions
- Alternative Finance & Marketplace Lending
- Leveraged buyouts
- Recapitalization
- Equity, Debt & Hybrid
- Derivatives
- Insolvency issues
